

Christopher Radko[®]

Retired Glass Ornament List: December 1, 2002

Dear Collector,

I am pleased to announce this year's list of Christopher Radko ornaments to be retired in 2002. To make room for new designs, I retire hundreds of ornaments annually. Production on the ornaments below has ceased and will not resume. Many of these sought-after ornaments are still in stores, but no more will be created...ever!

Christopher
